Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: none of the prior art taught or suggested the following method steps: depositing a contact bump made of an electrically conductive material on each electrode in the region where the electrodes are flush with the edges of the cell; structuring at least one wall on one of the substrates, which defines, via its inner lateral face, the volume for retaining the sensitive material, the wall extending in a set back position with respect to the edges of the cell.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Y. Chung whose telephone number is (571) 272-2288. The examiner can normally be reached Monday thru Friday from 8:30 am to 5:00 pm. If successive attempts to contact the examiner are unsuccessful, the examiner's supervisor David C. Nelms can be reached at (571) 272-1787.
